

If you can't work, would your bank account be disabled?

Help keep your finances stable with Unum's Short Term Disability Insurance.

Jason's story

Jason planned to spend his weekends on the water — until he slipped on a dock and landed in a cast. Knee surgery put a damper on his plans, but his Short Term Disability Insurance helped him pay the bills until he was able to return to work.

Who's at risk?

- The Social Security Administration estimates that just over **1 in 4** of today's 20-year-olds will become disabled before reaching age 67.¹
- Most disabilities are not work-related, and therefore not covered by workers' compensation.²

Your disability benefits help cover what matters most.

Unum's Short Term Disability Insurance pays you a percentage of your gross weekly salary if you cannot work due to a covered injury or illness. These benefits can help you cover your expenses and protect your finances at a time when you're paying extra medical bills. With our fast claims review process and weekly benefit payments, you can focus on getting well — not your wallet.
